Scheme of Delegations 2018/19

Scheme of Delegations 2018/19

Introduction

As a charity and company limited by guarantee, Wickersley Partnership Trust (the “Company”) is governed by a Board of Trustees/Directors who are responsible for, and oversee, the management and administration of the Company and the academies run by the Company. The Trustees/Directors are accountable to external government agencies including the Charity Commission and the Department for Education for the quality of the education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.

The corporate governance structure that the Trust agreed with the DFE, is a model with a Board of Directors setting the overall strategic direction for the academies collectively and Local Governing Bodies having delegated duties for their respective academy.

The Scheme of Delegation sets out where responsibilities lie for the discharge of these duties across the Trust and its schools. The scheme is structured into four key areas:-

1. Strategy and Leadership
