ART

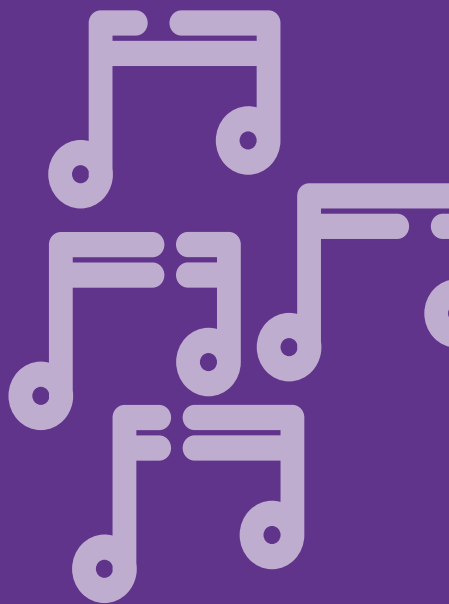

In Art, KS1 has focused on Kadinsky's concentric circles and used a variety of different mediums to produce replicas of his pictures. In their final piece, the children used paint on a canvas which is displayed in our classroom.

In KS2, we have been studying the artist Doug Hyde, recreating his sculptures and his art work using the artist's methods.

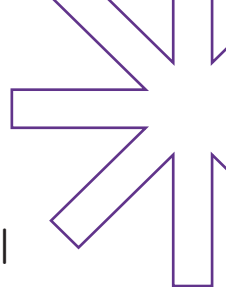

MUSIC

This half term, all the children have been learning the keyboard with Miss Hulbert.

They have been using numbers and symbols as notation.

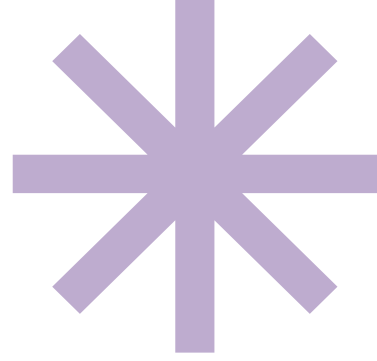

SCIENCE

This half term, KS1 have be looking at animals and their habitats. We created our own wormery and birds nest to create the perfect habitat for the animals.

HISTORY

In History, the children have found out lots of information about the explorer, Christopher Columbus.

We have loved learning the song which has helped us to remember key dates and names.

The children have also painted pictures of Columbus' ship.

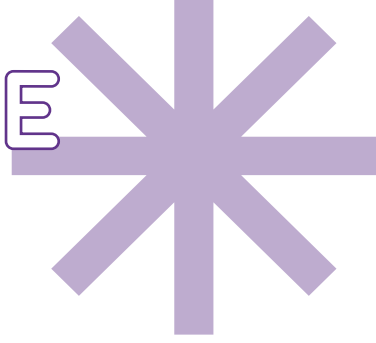

OUTDOOR PLAY

This half term in KS2, we have been planting different seeds, ensuring we have the right amount of space between using our knowledge of cm.

We have taken part in fishing trips, working in pairs, to catch various fish.

COOPERATIVE GAMES

In KS2, we have been using our team work and turn taking skills to enjoy skipping together and creating different sensory trays.

MATHS

KS2 have been learning all about fractions in a fun, multisensory way.

Cake fraction, pizza, sweet sharing and coming up with their own creative way to represent fractions.

LIFE SKILLS

We have been cooking up a storm at Magna Lane this half term. We have researched recipes, worked out the cost and even ordered the shopping needed online.

We have made homemade chicken nugget, burgers, sausage and egg and even a birthday cake for Mrs Stones' 50th Birthday.

Junior Masterchef here we come!

STAFF UPDATES

We are delighted to welcome Mrs MacDonald & Ms Webb to the team at Magna Lane.

Mrs MacDonald - "I am a teacher here at Magna Lane. I have been teaching for around 6 years working as a PE teacher and a SEN teacher before joining the team.

I enjoy spending time outdoors walking, playing 5 aside football and gardening, when indoors I usually am reading my kindle or watching Netflix.

I love working with children, getting to know their likes and dislikes and quirks to ensure they can reach their goals and learn in a way that suits them."

Ms Webb - “I have recently joined the Wickersley Partnership Trust as the SEND Family Liaison Officer.

I began my career working in a private day nursery and had the privilege of working with children 0 - 5 years for over 20 years, as I progressed from Nursery Assistant to Deputy Manager.

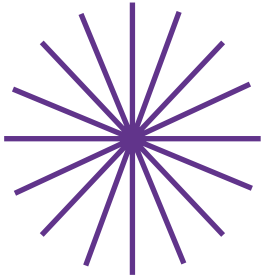

I have an Early Years Professional Status qualification and hold a BA Honors in Early Years. My role also included SENCO and Designated Safeguarding Lead, which enabled me to support children with a wide variety of SEND and to work closely with their families. I have also worked in an Independent SEN School as Family Liaison Officer with primary and secondary aged children, where I continued to work with students and their families to build and maintain the relationships between home and school and support any concerns / challenges faced. I am looking forward to getting to know the children, families and staff within my allocated settings and am excited to be in the Family Liaison role.”
